

Covid-19 Statement

The health and safety of our families, colleagues, customers and the general public is of paramount importance to us at Henry Aldridge and Son Ltd. With this in mind we have decided to close the auction rooms at 4pm today (Monday 23rd March). We will reopen when the government deem it safe for business's to open their doors once more.

Our next auction was to be Titanic and Liner on April 18th but in light of the present situation and with several of our colleagues immune compromised we felt it was not in everyone's best interests for this auction to take place. This will be the first sale when we reopen. We will continue to monitor Government guidelines and will keep you updated as developments unfold.

We are of course available during this time for email valuations at:

office@henryaldridge.com
andrew@henryaldridge.com
alan@henryaldridge.com

We will be delighted to hear from you to discuss future entries into our auctions.

Kind Regards and Please Stay Safe,

Andrew A. Aldridge
